Dear Customer,

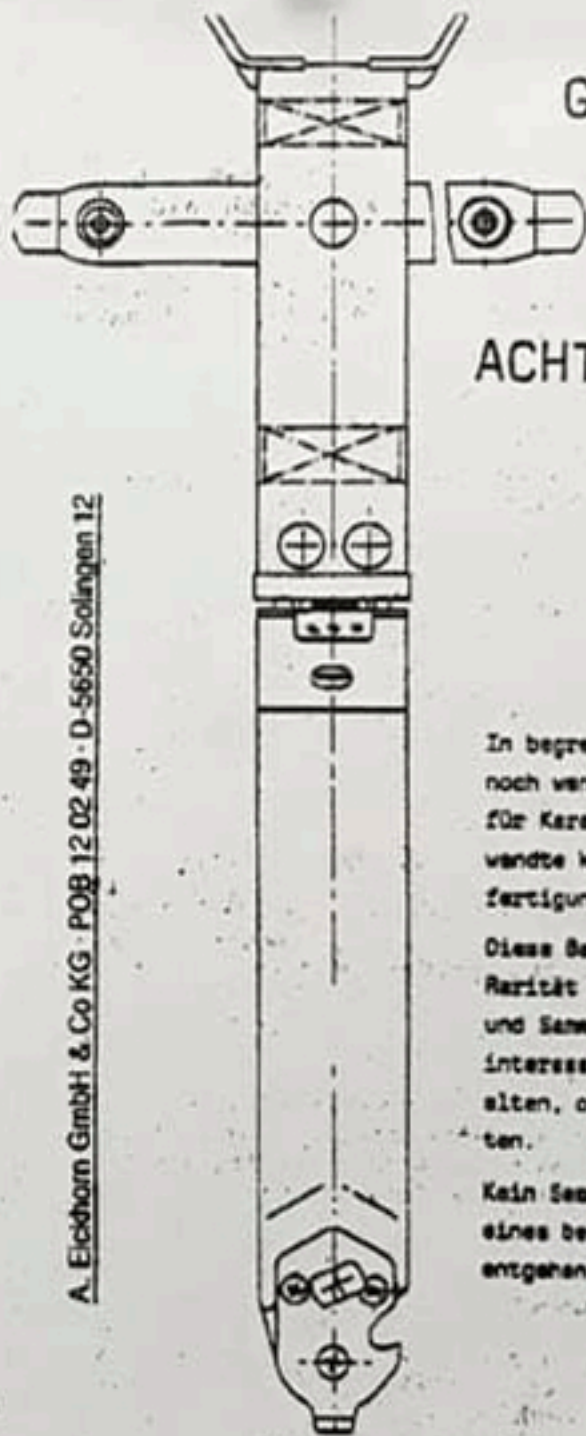

This is to confirm that we are the authentic manufacturer of the first – and to our knowledge – only existing modern multi-purpose-bayonet for a carbine model K98 system Mauser. It carries our product-code „KCB 77 M6“. It was first produced in 1989 just prior to operation Desert Storm for part of the troops of the Kingdom of Saudi-Arabia.

Yours sincerely,

A. Eickhorn GmbH
Solingen

Jörg Eickhorn

Dear John,

Thank you for your e-mail dated 11th of November.

Regarding your questions:

- ad 1.: according to my father such information is not known to us.
- ad 2.: Yes.
- ad 3.: Yes.
- ad 4.: Germany
- ad 5.: Not known to us.
- ad 6.: They were made by Eickhorn (COF).
- ad 7.: No. They were made by Eickhorn.
- ad 8.: No.
- ad 9.: Unfortunately they have all passed away.

Regarding your order:

Unfortunately we can't give you any discount for 25 pieces order quantity. Our discount starts at order quantities of 1.000 pieces and more as we usually only handle military contracts and equip whole Armed Forces.

The shipping cost is:
 Post Premium Airfreight (6 - 7 days): US\$ 135,50
 Post Economy Airfreight + Truck (10 - 12 days): US\$ 64,00

So the total cost for 25 pieces bayonets KCB 77 M6 is US\$ 1625,00 plus the shipping cost you choose.

As I said in my last e-mail you may either send a cheque to our company or you may also wire-transfer the money which will rush the process: In case you wish to wire-transfer, please make the transfer to the following account:

Deutsche Bank AG
 branch: Solingen-Ohligs
 Account-No.: 1 29 29 29
 Account-owner: A. Eickhorn GmbH & Co. KG
 S.W.I.F.T. - Code: DEUT DE DW 342

As soon as we'll receive your transfer or cheque we will ship the goods.

Hoping to have been of assistance, I remain with my best regards.

Yours sincerely,

Eickhorn-Solingen
